**DEPARTMENT OF CULTURAL AFFAIRS PRESENTS
SPIRITS OF LOS ANGELES
AT MUNICIPAL ART GALLERY**

The City of Los Angeles Department of Cultural Affairs (DCA) is pleased to announce the exhibition *Spirits of Los Angeles* at the Municipal Art Gallery. The exhibition brings together artists whose work dealt with spirits of the past, memories and ancestral history as well as present-day forces that play an important part in their creative process.

This exhibit will demonstrate some of the ethereal spirits, legends, and stories that either historically, culturally or metaphysically inhabit our Southern California area and that are eventually visualized by the minds of these Los Angeles artists. While the show is thematically and geographically focused, the concepts used are universal. As we live and exist and persist in an urban concentration, many of our recollections, dreams and thoughts, as well as nightmares, accompany us throughout our lives. In this show those manifestations are personified in paintings, installations, and sculptures.

The exhibition features artists from a broad range of ages - mature artists that have worked for years with similar themes as reflected in this show, and emerging artists who have newly discovered their fascination with these concepts. It will showcase the work of Armando Baeza, Raúl Baltazar, Patricia Boyd, Roberto L. Delgado, Kathi Flood, John H. Jones, Leo Limon, Pola Lopez, Dorothy Magallon, Toti O'Brien, Paul Pitsker, Annie Sperling, Cindy Suriyani, and Linda Vallejo.

The exhibition, curated by Raoul de la Sota, will run from January 18 through April 20. The Opening Reception will be held Sunday, January 20, from 2:00 p.m. to 5:00 p.m. with music provided by Charangoa. The Reception is free and open to the public.

Conversations with the Artists, a supplement to the exhibition, will occur on Friday, February 1, 7:30 p.m. with guest curator, Raoul de la Sota and featured artists from his exhibition.
