Dear TFAP@CAA Participant,

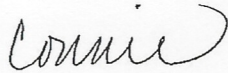

Happy New Year from all of us at The Feminist Art Project (TFAP) national office!

On February 20-24, 2018, TFAP will be presenting a series of events focusing on the intersection of art, activism, and politics in conjunction with the College Art Association Annual Conference in Los Angeles. I look forward to your participation in TFAP@CAA this year, and hope you will be able to join us for all of these extraordinary events.

Enclosed you will find *TFAP@CAA* announcements. Please help us publicize this and other events on this card by making the postcard available to colleagues, faculty, and students, or by distributing them to individuals and groups who you feel will be interested in these programs.

I thank you in advance for your efforts.

Best regards,

Connie Tell
