The beautiful full-color, coffee table-quality books will be available for purchase at both events. Over three dozen artists featured in the book are scheduled to be present to sign your copies.

Written and assembled by Gary D. Keller, Mary Erickson, Kaytie Johnson and Joaquin Alvarado for Bilingual Review/Press, this comprehensive collection of Chicana/o artists brings into sharp focus the rich diversity of an art movement that is now achieving full recognition in the art community at large. The two-volume set features the lives and careers of nearly 200 artists from established masters to emerging new talents, and presents representative samples of their work, faithfully reproduced in full color.
