Focus on the Masters "Rough Cut" Screening

Hosted by the Studio for Southern California History

Saturday, June 27, 6 - 10 pm

Suggested Donation \$10 with proceeds benefiting the Studio for Southern California History and Focus on the Masters

Recently, my oral history was recorded in front of a live audience by Focus on the Masters. Donna Granata, FOTM Founder, interviewed me for over 20 hours in preparation for the interview. This live taping took place in Ventura making it impossible for many of my friends to attend.

Now, the Studio for Southern California History, located in Chinatown in downtown LA, has cordially invited me to screen the "one hour rough cut" as a part of their 3rd Year Anniversary Celebration. My "real" life and work will be revealed!

The actual one-hour screening will take place between 6-7 pm, but visitors will be able to view the "rough cut" in a private setting during the entire evening's event.
