

PRETTY PROFANE

Paul Torres
and
Linda Vallejo

FlagStop 2011

“Bright colors and brown skin. Rhythmic textures and shiny surfaces. Goddesses and ghouls. Vixens and Victoriana. Breasts and beasts. *Pretty Profane* unites artists whose technical skills and conceptual acuity are matched by their searing wit. These images – immediate but inviting, jarring but amusing serve to stimulate a conversation about contemporary American culture.”

ALEXI COURTIS, CURATOR
