Estimada Linda:

I am writing to you regarding the exhibition of Chicano art celebrating the 15th anniversary of the Centro Cultural de la Raza, which we are currently organizing. Thank you very much for agreeing to participate in this exhibit. We are all very excited about it; thanks to artists like yourself this will be the most important exhibit of Chicano art to take place in San Diego.

Now we need to ask you for specific information about the art work you plan to exhibit. Because we are producing a catalog for the show, we need this information from all artists no later than Friday July 1, 1985.

I am enclosing a loan agreement form from the Centro Cultural for the works you plan to loan for the exhibition. Could you please complete this form, including all the information on the title, date, media, dimensions, and insurance value for your work. Please sign and return this form to me at the Centro Cultural de la Raza by July 1, 1985. We can then use the information provided for our catalog of the exhibition.

We will insure all works on loan to the exhibit wall to wall for their full value, as indicated on the loan agreement. Your works will be shipped by the Centro Cultural and will be handled professionally while in our custody.

We would also like to ask you for a reproducible black and white photograph of the work you plan to exhibit. These photographs will be considered for publication in our catalog. Again, because of our deadline, we must receive all photographs by July 1, 1985.

Thank you once again for everything. Please let us know if you have any other questions about the exhibit. I am looking forward to hearing from you shortly.

P.S. we got the photos - thanks!

Sinceramente,

Veronica Enrique
