PICKLES GALORE: EVENT PHOTOS

February 19, 2017

Wow! "Pickles Galore" pop-up show on Sunday was an unexpected success, which I'm very proud of.

Pickles Galore - a group pop-up show on Feb 12, 2017 at Lamperouge Fine Art.

Curated by: Linda Vallejo.

Featuring artwork by: Annie Clavel, Peter Dalton, Deborah Decker, Dawn Marie Forsythe, Jeanie Frias, Leonard Greco, Christine Rasmussen, Marlene Struss & Paul Torres.

Pop-up shows are a lot of work to put on, with no guarantee that they will turn out well. This show came together well due to the trifecta of a gorgeous venue, a smart curator and the participating artists bringing their A-game (it was also nice to have a sunny day!).
